In New England there are still those small towns who are fortunate enough to survive unimproved. These pockets of beauty and charm retain all the attractive features that they had when they were new. Little Compton is one of these. These shots are a sample of the center of this community of rolling fields some of which stretch down to the shore below. This is a place to visit to discover the way we were. It is a world preserved in rural New England.

Overlooking Mattapoisett Harbor

"Harry, the Inn is opening on
April first -- LET'S GO!

"Isn't that April Fool's Day?"

"I think it's appropriate. I can't
wait to see the new menu, and I
heard they have new wallpaper in
our favorite dining room. And
Brunch .. Oh, my God, I really
missed Brunch!"

"Can I wear my lobster hat?"

"Save it for Easter -- honestly,
Harry, if it wasn't for the Inn,
we would have nothing in common
at all. And Comedy is back! My
friend Sally went last week; did
you hear the one about ..."

"z z z z z z z z"

"Okay, Harry, I get it; I'll just
make a reservation and surprise
him! He'll melt, and I'll be looking
pretty clever on opening night when
we have a seat in the Blue Room
window. With the early dinner
specials, we can eat royally and
still be home in time to watch his

Advisory Committee Reports

MATTAPOISETT SELECTMEN'S MEETING
MARCH 24, 1992-by BRIAN KEENE

Selectmen met Tuesday night with Mattapoisett Public Schools Advisory Committee Chairman Peter Briggs to discuss the findings of the year-old group. The committee was formed at last year's Annual Town Meeting to look into the building needs of the different Mattapoisett school buildings. They have hired HMFH Architects from Cambridge to put together a list of the various projects that need to be undertaken at the schools, what the projected costs will be, and what jobs should get the first priority. Members of the Advisory Committee hope to be able to present this information to the public before the upcoming Town Meeting.

Once the figures have been completed, the committee will meet with selectmen to discuss whether to attempt to get the funding for the needed projects at the Town Meeting on May 18th or to call a Special Town Meeting to allocate funding for new construction and repairs. Chairman Peter Briggs told selectmen that the committee would try to get the "most bang for the buck" when deciding which projects should be considered first.

In other business, Selectmen:

APPOINTED Jack McGill as an Association Member of the Board of Appeals. Mr. McGill had previously written to the selectmen expressing his desire to serve the town in some capacity, and Chairperson Kerry Shortle of the Board of Appeals submitted his name to selectmen. He will fill an existing vacancy.

APPROVED an off premises sign for Little Peoples College, located at Tallman Street and Route 6. The sign is on land owned by ComElectric and they had previously given approval for the sign to Joyce DeSouza of the day care center.

Auction at Friends Meeting

LOCAL HISTORY HIGHLIGHTED IN AUCTION OF PAPER GOODS

A wide range of paper collectibles, from documents and letters of the 1800s to a printer's proofs of exquisitely colored soap wrappers from the turn-of-the-century, have been consigned to an April 4 auction in Mattapoisett.

The benefit sale will help raise funds for equipping the newly completed friendship hall at the Mattapoisett Friends Meeting (Quaker), Route 6, Mattapoisett. The sale is designed to appeal to both collectors and dealers.

Highlights include whaling and marine material, photographs, thousands of post-cards, selected books, postal history, bulk lots of stamps, railroad memorabilia, historical pamphlets, trade cards, advertising, etc. Many of the lots reflect on the history of nearly every community in the New Bedford-Wareham-Taunton-Fall River area, as well as adjacent Rhode Island.

Viewing will begin at 8:30 a.m., with the sale scheduled to start promptly at 10:30 so that it can be completed within three hours. Auctioneer will be Dennis Broadbent.

Morning coffee and noon lunch will be prepared for sale by members of the meeting.

Old Rochester collectibles include a trade card for ranges and parlor stoves for sale at Reuben Holmes Store, Mattapoisett; an original 1907 edition of "Mattapoisett and Old

The local group is an active club, with many interests and programs. Besides the monthly meeting, where the members enjoy an interesting program and refreshments, there are many off-shoots of the club.

Several of these groups are service programs - knitting for the veterans of the Brockton VA Hospital, entertaining the residents at the Mattapoisett Nursing Home with games and refreshments, and working to earn money for three or four scholarships for our high school students.

For the pleasure of our members there are many groups to join - Literature, Garden, Bowling, Bridge and others.

Letter to the Editor

The Health Awareness Days at Old Rochester Regional High School sponsored by S.C.O.R.R. (School and Community at Old Rochester Regional) have been an integral part of the group's program for a number of years.

One of S.C.O.R.R.'s main goals is staying current with health issues pertaining to teens. The current increases in sexually transmitted diseases, pregnancy, and even more frightening, the loss of our young people to the growing epidemic of AIDS were the reasons for the AIDS presentation. However, we feel the approach at Wednesday's assembly was inappropriate for our students. S.C.O.R.R. regrets that the presentation may have been offensive to those who attended. We are disappointed that the other portions of the Health Awareness Day were not reported in the daily paper; an aerobics demonstration and a martial arts demonstration. Also included in exhibits at Wednesday's Health Awareness Day was a blood pressure clinic, a dental health care clinic, teenage pregnancy information, dermatology information, The Samaritans, etc.

Questions of Faith Series

FIRST CONGREGATIONAL CHURCH
MARION

"What About Grace and Miracles?" is the topic to be discussed at the last session of the Questions of Faith Series on Thursday evening, April 2nd, at 7:30 in the Community Center of The First Congregational Church of Marion. The Rev. Robert E. Duebber will lead the discussion following a twenty minute video.

How do you experience grace? What is grace? Does God intervene in creation today? What is a miracle and have you ever experienced one? Everyone is invited to attend as a listener or discussion participant.

The word "claim" is not often used in positive ways. If someone has a claim against us, that may mean that we lose something, or at least have to mount a defense to keep what is ours. To "claim something" is to assert our possession of it and power over it.

Paul writes that Jesus has a claim on him. Because of this his life now has to

change. He needs to put aside what he thought were the most important quests and preoccupations of his life. We, like Paul, need to think what it means to have someone else directing us, making requests of us, and pushing us in ways we want to resist.

In an age when we assert our independence and power, and shout that, "No one can tell me what to do!", we are more than ever dependent on the guidance of a loving God. "Settling Claims, Starting Again" will be the title of the sermon this Sunday at the Mattapoisett Congregational Church.

Our worship service begins at 10:00 a.m. and nursery service is available. All are welcome.

Hospice Tea

To mark its 10th birthday, and to welcome the coming of Spring, Lighthouse Hospice is inviting members and friends in the community to a Spring Tea on Tuesday afternoon, April 7th. Tea and light refreshments will be served between 3 and 5 p.m. at the historic Old Methodist Meetinghouse at the town green in Wareham.

The affair is being coordinated by Pam Hughson of Wareham, assisted by Cherrel Hughes of Marion, Maureen Sperry of Rochester, and staff members and friends. Local florists are providing floral arrangements, which will be delivered later to Hospice patients at home.

Because of limited space anyone planning to attend is asked to phone a reservation to the Hospice office at 295-8544. A $3.00 donation will be requested at the door.

Theme of the tea is "10 Years of Caring", noting the founding of Wareham Area Hospice in 1982 and the strong support given by the local communities since that time. Lighthouse Hospice provided at-home care to the terminally ill and their families in Buzzards Bay, Carver, Lakeville, Marion, Mattapoisett, Middleboro, Onset, Rochester, Sagamore, Wareham and surrounding towns.

"Denial is a powerful psychological defense", comments Dr. Arthur Sklut of the Marion Center Associates, "which enables people to block out aspects of reality that are painful or undesirable. Families where there is alcoholism are usually strongly defended with denial. Children growing up in this atmosphere learn not to trust or talk about their perceptions and feelings--about the alcoholism and about life in general. Un-learning this legacy of denial is an important step to recovery and wholeness."

The awareness hour will feature the showing of a film entitled "Children of Denial", narrated by Claudia Black, followed by discussion.

Rapunzel at Zeiterion

Zeiterion's Saturday Youth Theatre presents "RAPUNZEL", performed by Theatreworks/USA on April 4th for two shows, 10:30 a.m. and 1:00 p.m. Citizens Bank of Massachusetts (formerly known as Fairhaven Savings Bank) is sponsoring the theatre's youth series for the fifth year in a row. All of the Saturday Youth shows open with a live organ recital on the theatre's restored Grimshaw-Gudewicz Wurlitzer Theatre Organ performed by members of the Southeastern New England Theatre Organ Society, the caretakers of the organ.

Theatreworks/USA presents the beloved Grimm fairy tale of "Rapunzel" which is all about wicked witches and magic, princes, kings and of course, the longest hair in the world. In this musical version it also happens to be about parents and children, and the pleasures and pangs of growing up.

Most people will remember the story of the lovely Rapunzel taken in infancy from her parents by a Wicked Witch who then rears her to adolescence imprisoned in a tower with only her beautiful long hair to keep her company. In this production the story opens on the morning of Rapunzel's 16th birthday, when the Witch - perhaps the world's most overprotective mother - tells Rapunzel that

she will never be allowed to leave the tower. But, then along comes the prince, and that is when the real action begins. Theatreworks/USA follows the original Grimm story line -- but only to a point. This modern, freshly interpreted tale by Marty Kauffman, David Crane and Michael Skloff, offers surprising new insights into the nature of contemporary human relationships making it a show for the entire family.

Theatreworks/USA of New York City has brought many fine productions to the Zeiterion in past seasons. The company has presented more than 20,000 performances to well over 17 million young people in schools, art centers, museums and theatres in 49 states. For 30 years they have been performing shows and have a repertory of over 55 plays and musicals written by writers such as Ossie Davis, Saul Levitt and Mary Rodgers. Theatreworks/USA has performed at the White House and has received the highest honor bestowed in children's theatre - the Sara Spencer Award from the American Theatre Association.

The Zeiterion's Saturday Youth Theatre will conclude on May 9th with "THE LEGEND OF PECOS BILL AND THE SECRET OF INVISIBILITY" by the Gingerbread Players and Jack.

Tickets for all the Saturday Youth shows are $5.00 each general admission; group rates available. Tickets are available at the Zeiterion Box Office and are also available at all Ticketmaster locations or by calling Ticketmaster in Mass. at 1-931-2000 or in RI at 1-331-2211.

The Zeiterion Theatre, a non-profit performing arts center for southern New England, is located at 684 Purchase Street in historic, downtown New Bedford. The theatre is wheelchair accessible.

The Plymouth Philharmonic Orchestra presents the final concert in its 1991-92 subscription series on Saturday, April 11th, at 8 p.m. in Plymouth's Memorial Hall. The orchestra has designated the concert as "Cura Night at the Philharmonic" and will welcome friends and supporters of Cura Visiting Nurse Association to the evening's festivities.

PPO Music Director Rudolf Schlegel has chosen two major works from the Romantic repertory for the April 11th program -- Dvorak's Violoncello Concerto in B-minor and Tchaikovsky's Fourth Symphony. Explains Schlegel, "These are two substantial and especially popular works from the Ro-

mantic era. Their power is that they can be experienced and enjoyed by all. Both works speak to the Romantic composer's ideal goal of musically articulating life's conflicts, impulses and emotions."

Dvorak began work on his 'cello concerto while on a visit to America in the late 1800s. Although an earlier attempt at writing a 'cello concerto frustrated him, Dvorak was inspired to try again after hearing a concerto written for that instrument by his colleague, Victor Herbert. This time Dvorak's efforts were successful. The Violoncello Concerto in B-minor is a poetic, soaring work and is perhaps the most popular of all concertos for 'cello.

'Cellist Christopher Costanza is guest soloist in the Dvorak work. A native of Utica, New York, Costanza is a 1986 winner of Young Concert Artists International Auditions. Following his Kennedy Center debut in the Young Concert Artists series in Washington, D.C., the Washington Post raved about Costanza's "fully mature technique and expressive range that can't help but place him in the most elite ranks".

While Costanza has appeared as a recitalist, concerto soloist and festival performer throughout the United States and Italy, he has special ties to New England. He holds a Bachelor's degree and Artist diploma from New England Conservatory and has appeared with the Cape Cod Symphony Orchestra, L'Orchestra in the Berkshires and New England Conservatory Symphony and at the Isabella Stewart Gardner Museum,

CANDIDATE FOR ASSESSOR ANNOUNCEMENT

I hereby announce my candidacy in seeking re-election to the office of Assessor and respectfully request your support.

During the first term in office I have been able to make significant changes in the assessors' office. These changes will have long-term positive results for the Town of Mattapoisett. With the resounding support of voters at the town meeting in December, we have undertaken the process of computerizing our office and returning the responsibility of revaluations to the local assessors.

Once implemented, the new system will reduce the cost of data processing and revaluations by more than 50% and will produce more accurate and consistent assessments. It will also eliminate the need for full tape and measure revaluations in the future.

Our present board is a unique blend of individuals who are able to work in harmony; we are dedicated, hardworking and fairminded; we are unanimously devoted to implementing the changes we have begun.

I would appreciate the opportunity to see these changes through to fruition during my next term. I believe it is critical that the town maintain this continuity and allow us to proceed on our positive course.

It has been an honor and privilege serving as Assessor of Mattapoisett. I look forward to serving for another term and would appreciate your support.

Sincerely, Harvey J. Blanchette

There is something to please everyone at Light the Torch. In addition to the enchanting soloists, two fast moving precision teams will amaze spectators with their rockette-like maneuvers. There will be a graceful exhibition of ice dancing as well as tiny skaters whose wobbles and falls warm the hearts of all.

Exciting guest skaters include: Ryan Donnelly, Eastern Novice Men's Competitor; Jennifer Blount, National Senior Ladies' Figure Competion; Wendy Millette and Jason Teba, Narion Senior Ice Dance Competitors.

The chairman of Light the Torch is Brenda Hutchings of Dartmouth. Rita Blair of Wareham is the Show Director.

This dazzling figure skating gala will be in Taunton on Friday, April 3rd, at 7 p.m., at the Taunton Memorial Rink; the Driscoll Rink in Fall River for a 7 p.m. performance on Saturday, April 4th, at the Hetland Rink in New Bedford on Sunday, April 5th, at 2 p.m. Ticket prices are $6.50 for adults and $5.50 for senior citizens and children. Dear Mattapoisett Voters: I am sure all of you are familiar with the workings of our Town and the fine communications that all of the various boards and Departments have with each other. This was evident with the A the Town of Mattapoisett received from the Buzzards Bay Coalition. A large part of that A can be attributed to the Mattapoisett Board of Health.

I assume you want to continue this excellent rating by re-electing- Daniel C. Lee, Jr. to another term on the Mattapoisett Board of Health. This A was achieved by experience, hard work, and a continuing love for the Town - and having the necessary expertise to be able to communicate and cooperate with every other Department and Board that makes up Town Government.

My credentials to support this are:

Education: Northeastern University - B.S. Degree in Pharmacy

Employment History: - Assistant Director of Pharmacy- St. Luke's Hospital
-Director of Pharmacy- Parkwood Hospital, New Bedford
-Consulting Hospital Pharmacist- Francis P. Memorial and Nantucket Cottage Hospitals
-Present- Manager, Phoenix Pharmacy, Fairhaven

Community Endeavors-Former Chapter Chairman, New Bedford Chapter American Red Cross
Charter Member Mattapoisett Rescue Team, Mattapoisett Historical Society, Former member Mattapoisett Fire Department, member Mattapoisett Lions Club, Landfill Committee, Recycling Committee, Mass. Association of Boards of Health, Facilities Committee, Mattapoisett HOP-Housing Committee, Mattapoisett River Valley Water Supply Protection Advisory Committee, and Southeastern Massachusetts Boards of Health.
Former Coach- Mattapoisett Little League, Mattapoisett Babe Ruth League, Rochester Youth Hockey Association, and New Bedford Youth Hockey Association.

Member- American Pharmaceutical Assoc., American Society of Hospital Pharmacists, Massachusetts Society of Hospital Pharmacists, New England Council of Hospital Pharmacists, Massachusetts State Pharmaceutical Assoc. and Greater New Bedford Pharmaceutical Assoc.

So judge for yourself- who cares about Mattapoisett and should be re-elected. VOTE FOR ME- DANIEL C. LEE, JR.

Thanks in advance for keeping Mattapoisett a Class A Town on a Class A level. Sincerely, Daniel C. Lee, Jr.

Dear Voters of Mattapoisett:

On Tuesday, April 7, local Election Day, you will be asked to choose someone to represent the town for a three-year term on the Old Rochester Regional District School Committee. I would like to be your choice. To that end, I respectfully ask your consideration and vote.

Following are some of the ideas I believe:

1) That the nation's demand for educated workers will continue to accelerate at an ever-quickening rate as a consequence of the on-going revolution in telecommunications, computerization, and bio-tech fields. To be uneducated or undereducated is to be left behind.

2) That specialized training and re-training will be increasingly the rule in adult and on-the-job education, while a sound general education in grades 7-12 will become more essential than ever before.

3) That students at both the junior and senior high school levels be led to invest in more quality learning time and be held to more demanding graduation requirements.

4) That basic word and number literacy be at the center of the instructional program as students learn how to access information and solve problems.

5) That lacking computer literacy will result in denial to access of information and therefore equal learning opportunity.

6) That citizenship training be an essential in the program, especially in the operation and management of our town, state and federal governments.

7) That the instructional programs also provide the students with a 'window on the world' and a global consciousness.

8) That parents be urged to become more involved with their schools and deal more directly with the wide variety of behavioral problems they have come to expect the schools to solve. Without like parental commitment to learning, the schools cannot do the job as well as they could with help.

9) That quality education can best be achieved when the public schools have an entire community's backing and support.

10) That the community has a right to ask for and receive qualitative appraisals of what goes on in its schools. We are way too tardy in developing an accounting plan to determine how efficient our schools are.

11) That we need a better means of paying teachers according to their skills, experience and performance, not the lock-step salary schedule now in place.

12) That the Old Rochester learning environments -- junior and senior highs -- be kept in step with the needs of the late 20th and early 21st century workplace.

13) That while some schools are better than others, no longer arguable is the notion that our schools are okay as they are. They simply are not.

Sincerely, Llewellyn V. Roberts, Len.

On Saturday, May 16th, the Millicent Library in Fairhaven will sponsor a bus trip to historic Concord, Massachusetts. Included are a guided tour of the Concord Museum in which are stored many of the town's literary and military artifacts, and lunch at the old Concord Inn. The cost of the trip is $42. per person, with a $5. discount to holders of any valid library card. The price includes transportation, guides, lunch, fees, tips. No phone reservations accepted. Payment must accompany reservation. For more information call Carolyn Longworth at 992-5342.

Five teachers and fifteen family members will participate in this spring's class. The five teachers will be trained in Family Math and will teach two fall classes of twenty family members. Professor Richard Purnell of the University of Rhode Island will teach the first class.

The course is open to grade seven students at the junior high and their families. Letters and registration forms have been sent home. Anyone interested can call Assistant Superintendent Robert Hicks at 758-2772 with your questions or for additional information.

FAMILY MATH

* Gives parents and students an opportunity to develop problem-solving skills and to better understand mathematics through work with hands-on materials.
* Strengthens the link between schools and families and between children and parents as parents support their children's achievement in school.
* Clarifies the reason we learn math through role models who show how math is used in their careers.
* Was developed by the EQUALS Project at the Lawrence Hall of Science, University of California, Berkley.

STUDENT COUNCIL STATE CONVENTION

The Massachusetts Association of Student Councils held their State Convention March 18th, 19th and 20th. Sixteen Student Council members and their advisor, Michael K. McCormack, represented Old Colony Regional Vocational-Technical High School of Rochester along with over 900 other students from across the state. Members attending the three day high energy, positive motivational workshops were Kristen Lee, Carrie Russell, Jill Gamache, Cheryl Forand, Jamis Gamache, Mike Tomasia, David Tomasia, Craig L'Abbe, Jessica Cecil, Cheryl Benner, Becky Rudolph, Jen Hart, Nancy Roy, Sharron Tripanier, Emily Viator and Adam West.

Speakers included the nationally known "Original" Mike Smith who has addressed over half a million people in all 50 states. In involving his audience he makes his presentation a very different experience. He has been categorized as a speaker, poet, philosopher, humorist, cheerleader, thinker, preacher and sometimes all of the above. Students rated him as the "hit" of the convention.

Activities included a Lip-Sync contest, exhibitions by fund-raising and motivational program companies, a display of Excellence Award entries, dances with a $60,000 DJ and Light Show one evening and two live bands the next. Elections for state level officers by the 80 schools present were also held and the events capped with a banquet Thursday evening and an awards ceremony at the closing session Friday.

MOTIVATING EXCELLENCE IN EFFORT

Most school award programs recognize the most gifted and talented youngsters in a school. Old Colony Regional Vocational-Technical High School is no exception with awards programs such as the MASS "Certificate of Academic Excellence", "Principal's Leadership Award", "National Honor Society Scholarship Program" and "Outstanding Vocational Student Award", to name a few.

For the third consecutive year, Old Colony will also recognize students who

The award program is called "Excellence in Effort". One sophomore or junior in each of the school's 12 vocational technical programs will be nominated for the award. At a student body assembly, the nominees will be announced and the winners presented with a formal framed certificate and an Old Colony jacket with the words "Excellence in Effort" printed on the front. In addition, each winner will be a guest for lunch in the Cougar's Den at a luncheon prepared especially by the students in the Culinary Arts Department. Finally, each winner will attend the Spring Advisory Board Dinner meeting, along with their parents, to be held early in May.
